

ASSEMBLY BILL

No. 1124

Introduced by Assembly Member Muratsuchi

February 22, 2013

An act to repeal and add Section 14124.11 of the Welfare and Institutions Code, relating to Medi-Cal, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 1124, as introduced, Muratsuchi. Medi-Cal: Public Assistance Reporting Information System.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions. Existing law requires the department to establish a 2-year pilot program to utilize the federal Public Assistance Reporting Information System (PARIS) to identify veterans and their dependents or survivors who are enrolled in the Medi-Cal program and assist them in obtaining federal veteran health care benefits. Existing law requires the department to select 3 counties, as specified, to participate in the pilot project and authorizes the department to implement the program statewide at any time and continue the operation of PARIS indefinitely if the department determines that the pilot program is cost effective.

This bill would remove the pilot project status of these provisions and would require the department to implement this program statewide. The bill would also appropriate an unspecified sum from the General Fund to the Department of Veterans Affairs to provide funding for

county veteran service officers to identify veterans and their dependents or survivors who are enrolled in the Medi-Cal program and to assist them in obtaining federal veteran health care benefits.

Vote: $\frac{2}{3}$. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: no.
